Title: An Introduction to Machine Learning and it Applications to Fusion Research

**Speaker**: Robin Somers (MSc candidate, Gent University, Belgium)

When: 2019-04-04 20:00:00

Abstract: Robots, artificial intelligence, automation... Very [in]famous notions with a common basis: machine learning! Machine learning provides powerful tools to make artificial systems learn by themselves. Find out how and where to use it and learn about its applications to the world of nuclear fusion.
